

## An Opportune Time for Tefillos

The author of *Sefer Shomer Emunim* writes (*Sefer Kedushas Einayim* 5:9:461):  
“When a person is on the streets and encounters a forbidden sight, and he overcomes his Yetzer Hara and does not gaze, **this is an opportune time in Heaven. It is a *segulah* that Hashem will accept whatever he requests at that moment.**”
