

Now that we have completed the fundamental concepts, we will proceed to the practical *halachos* regarding which men and women may not be secluded together and which situations are problematic and which are not.

One Man with One or Two Women

1. When **one** man is secluded with **one** woman, there is a prohibition of *yichud*. (Shulchan Aruch EH 22)
2. Similarly, when **one** man is alone with **two** women, there is a prohibition of *yichud*. (ibid.)
