

### The Definition of "Road" and "Field"

**10. "On the road" or "in a field"** are not limited to these places alone. Anywhere that other people are not expected to be around is included in this category.

**11.** Therefore, the same *halachos* apply to secluded areas of a city where other people are not around, as well as to expansive, sprawling properties where no one else lives, and at times when no one else is around. (*Shevet Halevi* vol. 5, 202:1; see *Shu"t Radvaz* 1:121)
