No lost signal. No battery needed. Always available – anywhere, anytime.

EMUNAH DAILY

It states in Mishlei, "Sheva yipol tzaddik v'kom – A righteous person falls seven times and gets back up." This does not mean that if a tzaddik happens to fall, they will get back up. Rather, it is describing the making of a tzaddik: he has struggled and he has fallen, yet he continues to get back up again, and again, and again – whether that's 7, 70, 700, or even 7,000 times.

Greatness is forged not in never falling, but in never giving up on getting back up.
