

### **Three Men, who are “Perutzim” or “Isko Im Hanashim,” with Three Women**

25. If the three men are “*perutzim*,” there is a disagreement amongst the *poskim* whether they may be alone with three women. One should ask this question to a *Rav* when relevant. (*Shevet Halevi* vol. 5, 202:2; *Dvar Halachah* 9:10)

26. So too, if the three men are “*isko im hanashim*,” some *poskim* rule that they may not be alone with three women; one should ask a *shaylah* when relevant.

(*Shevet Halevi* vol. 5, 202:2; *Malbushei Mordechai* – *Yichud* 10:11)
