

When His Wife is in Another Room

3. The same applies when one's wife is in another room in the house or building and she could enter the room at any given time. (*Meiri, Kiddushin 80b ;*

Dvar Halachah 6:2, note 2, citing Maaseh Rokeach; Bnei Chayil, also quoted by the Dvar Halachah ibid.; Yesod Hataharah – Yichud 84:5)

4. However, if his wife is in another room and there is a reason that the she would refrain from entering the room that he is in, the leniency does not apply. (*ibid.; Yesod Hataharah – Yichud ibid. :6)*
